SORUSH AINI

NARRATIVE DESIGNER & WRITER

PORTFOLIO

PERSONAL SUMMARY

Writer and Narrative Designer with experience on a live-service AAA titles, currently shaping the evolving world and narrative of THE FINALS. Specializes in character-driven worldbuilding, VO and narrative systems designed to scale across gameplay, cosmetics, cinematics, and marketing content. Works closely with design, audio, and production to deliver clear, cohesive, and shippable narrative experiences.

WORK EXPERIENCE

NARRATIVE WRITER - THE FINALS

Embark Studios

2023 - ongoing

- **Co-owning the game's worldbuilding and tonal direction**, shaping in-world corporations, characters, and seasonal narrative arcs in collaboration with the Creative Director and core writing team.
- **Developing characters, backstories, and deep-lore** frameworks used across VO, cosmetics, cinematics, and marketing touchpoints.
- **Leading creative audio and VO writing** for lore-driven video content, cinematic content, character voices, and in-game match commentary
- **Contributing to narrative pipelines and localization workflows** ensuring clarity, consistency, and shippable VO/lore content across multiple languages.
- **Collaborating cross-discipline** with design, audio, art, and production to integrate narrative systems seamlessly into gameplay.

LANGUAGE TEACHER

Magelungen Utveckling

2016 - 2020

Taught language at a gymnasium, building **strong mentorship** and clarity-of-communication skills now applied to cross-disciplinary narrative and game development workflows.
